Forecast for Friday 04 Nov 2022

Weather: Mainly dry with clear skies overnight but cold with slight frost possible in the glens with the odd mist patch, soon clearing in the morning. A mainly dry day, with some sunshine at times, but a cloudier spell in the morning perhaps bringing a light shower, wintry on the summits, to western ranges. A dry evening with some clear spells.

Chance of cloud-free hill tops above 800m: Generally 80-90% but falling 60% for a time in the morning.

Low Cloud and visibility: Cloud mostly broken to well broken at 1200m or higher with good visibility, but occasional cloud to 900m and patches to 750m for a few hours in the morning.
